

-  Reducing Plaque
-  Preventing Tartar
-  Treating Bad Breath

Many dogs and cats suffer from problems related to oral health. Good oral health is important to their wellbeing. It's about creating healthy habits for oral care right from the start. ProDen PlaqueOff System® helps to prevent bad breath and clean teeth for dogs and cats throughout their life- from a small puppy or kitten, all the way to senior age.

ProDen PlaqueOff® Powder

ProDen PlaqueOff® Powder is a 100% natural and easy solution to pet oral problems - just sprinkle the powder once a day on dry or wet food to reduce problems and pain in the future, as well as helping prevent bad breath. ProDen PlaqueOff® Powder is approved by the VOHC (Veterinary Oral Health Council).

-  100% Efficient
-  100% Natural
-  Clinically Proven

How ProDen PlaqueOff® Powder Works:

ProDen PlaqueOff® Powder works 24/7 to help prevent bad breath, and new plaque and tartar formations. It also helps to soften existing tartar and calculus.

Results:

The results - in the form of visibly whiter, cleaner teeth and fresher breath - are usually seen in three to eight weeks with continued use. The effect can be seen as long as the products are being used.

Recommended by vets  for good oral health
